CREDENTIAL

Clear California
Credential in Visual Art
CTC SB 2042/CLAD certified
AP Certified

SKILLS

Educational Technology Integration: Skilled in utilizing digital learning platforms, and instruction media for virtual, hybrid, and in-person teaching environments.

Curriculum Design & Alignment: Proficient in developing standards-based curricula aligned with the California and National Visual Arts Framework.

Assessment Frameworks: Experienced in creating and administering clear, consistent formative and summative assessments tied to lesson objectives.

Cross-Curricular Integration: Capable of designing interdisciplinary units that bridge visual arts with core academic subjects.

Inclusive Instructional Planning: Skilled at building differentiated, accessible learning environments to support diverse student needs.

Classroom Management & Environment: Establishes proactive routines and structures to maintain a focused, positive learning space.

Stakeholder Communication: Maintains transparent, consistent communication with students, staff, and families.

Victoria Zeno

Director of the Visual arts

Visual Arts Director and Educator with 23 years of success guiding students through advanced studio techniques, including classical draftsmanship, painting, printmaking, and mixed media. Expert in curriculum design, objective rubric assessments, and directing portfolio development that opens doors to elite programs.

EXPERIENCE

2022 - Present

Director of the Visual Arts

University Preparatory school - Victor Valley Unified high School District

I established and executed a rigorous, innovative Art and Design program fully aligned with WASC accreditation requirements and standards-based visual arts frameworks. Created objective-driven units and formative performance assessments to track student growth and promote artistic mastery. This comprehensive curriculum helped maintain schoolwide academic rigor, directly contributing to University Preparatory maintaining its elite ranking as the #16 school in California and #120 nationwide."

2007 - 2022

Art educator and Director of the Visual Arts

Oak Hills High School - Hesperia Unified School District

My duties encompassed teaching 2D and 3D visual arts while fostering essential life skills that encouraged critical and creative thinking. Drawing on expertise across a wide variety of materials, I designed a curriculum aligned with the California Visual Arts Framework that integrated social-emotional learning to help students connect meaningfully with their projects and themselves. Throughout, I maintained consistent daily routines and demonstrated exceptional classroom and time management.

2006 - 2007

Student teacher

San Dimas High School -Bonita Unified School District

My duties included creating 2D and 3D lessons for the Art I classes in the guidance of my well experienced mentor and renowned fine artist, Peggy McBeath.
